June Development Squads

Please be advised that all skaters are invited to attend the June Development Squads run by the Artistic Committee and the High Performance Coaches. These squads are not only for NZFRS registered skaters, as we recognise that there are number of skaters not registered as yet due to the time of the skating year and we would not like any up and coming skater to miss on such an informative event.

As mentioned on the information and registration forms sent out this will be for all levels and will cover not only free-skating but also basic skating skills.

Hamilton 16th June

Upper Hutt 17th June

Registration forms attached.

Please pass on to all your club skaters.

Yours In Skating,

Yvonne Lambert-Smith

NZFRS Artistic Roller Sports Committee Secretary and Interim Chairperson
