MEDAL TEST REQUIREMENTS FOR NATIONAL GRADES

If a skater is nominating for NZ Championships, then the required Medal Test for their grade must be achieved before the close of entries for that years Area Championships. Skaters may enter and compete at Area Championships without the test required for their grade but will not be able to progress to NZ Championships in that skating year.

NOTE FOR AREA SECRETARIES

To assist with checking skater's medal requirements for future NZ Artistic Championships, Joan has requested that Area Secretaries please send the final printed copy of the Area Competition Programme along with the entry information for NZ Champs. Your assistance in this case is appreciated.

Please circulate this News Flash to all your club members.

Yours In Skating,
