## **Updated Artistic Requirements and Dance Manuals**

### **Artistic Requirements**

Masters Couples Style Dance step sequence has been amended to match Masters Solo Style Dance Step Sequence.

The updated requirements have been sent to clubs and uploaded to the artistic website.

### **Dance Manuals**

New domestic dance manuals for couples and solo dance have been sent to clubs and are also available on the artistic website.

These manuals include only domestic dances. All international dances can be found on the World Skate Website at <http://www.worldskate.org/artistic/about/regulations/category/262-rulebooks.html>

This change is to ensure that all coaches and skaters are referring to the most up to date version of each dance.

Please circulate this News Flash to all your club members.
