

## AGM Club Delegate Report Skatescool Tauranga Club Incorporated 2019

Topic	Comments
Introduction	Our Skatescool Tauranga Club was newly formed in February 2019 after growing alongside the Skatescool Rink over the last 4 years, and has grown hugely in recent months. Our Skaters have done very well at Beginner Competitions, Regionals, Areas and Nationals placing well in a number of events.
Skating Numbers and Growth	We are a very fast growing Club. We took 26 new skaters to our most recent competition in Auckland and are taking a team of 10 skaters to Nationals this year. We have around 150 students coming for classes through the Skatescool Rink on a weekly basis, from which we ascertain those wishing to compete.
Skaters / Senior Skaters involvement (Coaching, judging, mentoring etc)	Kazna Bedford is the Coach in our Club and she is training the Skaters for competitions and proving to be very successful. We also have Lisa Garrud travelling from Auckland to Coach our Precision Team. We try to take every opportunity to utilise other NZ coaches and all the skating opportunities on offer ie workshops with Macarena, Development Squads etc so we have a strong foundation of skills. We have a strong supportive group of parents as well and an exceptional team spirit and sense of belonging and ownership in our Rink and Club by all the Members.
Competitors competing at Oceanias / Worlds	Not yet but watch this space :)
Public Sessions	Skatescool Tauranga Club does not run their own discos, but the Competitive Club Skaters are all involved in the public discos that are run at the Skatescool Rink 5 times a week with an attendance of 20-60 people at each one. The Rink also hosts birthday parties and holiday programmes which exposes a large number of people to roller skating in Tauranga.
Community Involvement	We are regularly in the paper for our skating achievements and with Skatescool's bright purple van, classes, holiday programmes, birthday parties and discos we have a great skating presence around town. We have a fantastic relationship with the Roller Derby teams in Tauranga often performing a showskate / half time entertainment during their home games or tournaments. They also attend our

	National Skate Day celebrations and did demonstrations to the public along with our freestyle skaters which were well received.
Life Members	N/A
