

Skate New Zealand Artistic Requirements 2020

PRECISION UPDATES IN RED MARCH 2020

We are aligning ourselves with the international rules from World Skate on Page 6 of the World Skate Official Regulation Artistic - General 2020 Rule Book found on their website;

<http://www.worldskate.org/artistic/about/regulations/category/262-rule-books.html>

Please refer to this for information on category names, requirements, elements, age groups and skating calendar year.

WORLD SKATE CATEGORY AGES

Tots	8 and 9 years old
Minis	10 and 11 years old
Espoir	12 and 13 years old
Cadet	14 and 15 years old
Youth	16 years old
Junior	17 and 18 years old (12+ on application)
Senior	19 years old + (12+ on application)

Note: The age in the list above refers to the age the skater is turning in the year of the competition (that is, in the calendar year being; 1st of January through to and including the 31st of December).

World Skate rules:

To be eligible to compete in any category, a skater who has competed in the previous year in a higher category must not compete in a lower one after that. In New Zealand the exceptions would be; Advanced Masters, Masters.

Please note that all changes to the requirements have been made in green, but in addition there are a few major changes that we wish to point out:

- The grade for freeskating pairs (not couples dance) can be chosen by the skaters by either the age of the male skater OR the age of the oldest partner, for the 2020 year only.
- **Preliminary** - many categories have had an age reduction to 10 years.
- **Espoir Freeskating** - has a short and long programme now.
- **Advanced Masters and Masters** - all have been separated out as separate events and also there are options regarding being able to compete at different levels, depending on age and medal tests requirements.
- **All figures** - we have adopted the World Skate terminology as follows and updated in the requirements;
 - The previously termed change eight - is now a half eight
 - The previously termed serpentine - is now a change eight
- **Adult grade** - this has replaced Esquire and the age has been lowered, and as announced last year, this is now an Area event only.
- **Show and Precision grades** - These have changed considerably, please refer to this section for full details.
- **All freeskating grades** - A waltz jump will be accepted as an attempt of the required axel element as per World Skate requirement regulations.
- **RollArt** will be used for all free skating and dance.
