

ART NEWS FLASH 4 MARCH 2019

HPCC Nationwide Tour

RollArt is here. From this year onward almost all events will be judged using RollArt, so all coaches should be thinking about making sure their skaters are RollArt compliant. We know that there are a lot of changes and The HPCC are here to help. Our expert coaches who are fresh from the World Skate RollArt Training in Orlando are doing a NATIONWIDE TOUR to make sure all coaches are up to speed!

It is each coach's responsibility and a coaching requirement to attend at least one of the following events so that you have the same information as all other coaches, and ensuring that your skaters will be working towards meeting the requirements.

There is no charge for attending these Coach Training events.

There **will** be a charge for the Development Squad.

We would also like to extend the invitation to skaters, officials, parents and supporters so they can understand the changes as well.
