

SNIPPET TWO 2020

COVID 19.

Yes inevitably everything right now starts with a Covid 19 update. We hope everyone is safe in lockdown and still has skating high on the priority list. What a great opportunity to watch skating videos and do some learning while staying in your bubble.

Be kind 

Make a difference by supporting friends, neighbours and skating whanau.

 Stay Home

Everyone should stay at home. This is the best thing we can all do to stop the spread of COVID-19.

Use your time well. This **will** end and we will be needing officials for all roles. It can be fun.

The Roll Art Steering Committee are working hard on the qualification's framework, the workbooks and test papers. Have you completed your "License to Learn" yet? Once

completed please send to artistic.secretary@gmail.com. Thanks to those who have completed these already. They will be marked and sent back to you soon.

RULES UPDATE.

Please note that a rectified version of the Official Regulation Artistic - Dance and Solo Dance Book (February 24th, 2020) has been uploaded on the World Skate official website. Please click [here](#) to download the latest version.

If you find a difference between the General Rules and the Rules of a discipline, always the rules to be found in the Discipline document are the first to follow.

LINKS TO VIDEOS.

Following are some links that Pam gave out at the HPCC Seminar. Watch and practice.

2019 European Champs.

<https://sportdeutschland.tv/rollkunstlaufen>

2019 World Roller Games. (Not all events are available).

[Http://rollergames.tv](http://rollergames.tv)

2020 Americas Cup.

<https://usarollersports.wixsite.com/nationals/live-stream>

<https://rollkunstlauf-driv.de/Meisterschaften/> Is the German Federation site where you can find a lot of German and European competitions.

Judges you can practice content recognition. Note the flat take offs and compare to what you would expect to see under Roll Art

<https://www.youtube.com/watch?v=vIEsxFBIDW8&feature=youtu.be>

DATA ENTRY OPERATORS

If you have not got a copy of the Roll Art releases and the technical panel user manual please email rollartnz@gmail.com for an electronic copy.

LUTZ

The content sheet must specify where the skater is attempting a lutz. If lutz isn't written the Technical Specialist will call what they see.

Lutz is the responsibility of the technical panel to call the lutz jumps if the required technical characteristics are fulfilled even if it is not in the content sheet.

If the lutz is in the content sheet but the lutz is a 'flutz' the technical panel will call "lutz no edge" and the system will give the element 50% of it's value and the judges will score accordingly to the guidelines (-2)

Snippets comes with thanks to essential service workers who are going out so that we call all stay home.
