## **Updated Key Points and General Updates**

### **Waltz Sequence and March Sequence Key Points**

The Key Points for the Waltz Sequence and the March Sequence have been updated. The Key Points are now more specific and in line with the way Key Points have been assigned in World Skate dances. The new diagrams, notes and Key Points for these dances have been sent with this News Flash. They will also be added to the domestic dance book and be available on the artistic website.

### **Patches for Sale**

The Artistic Committee has a number of patches available for sale. These are able to be awarded for the pre-medal patch tests outlined in the Medal Test Schedule. They are also able to be awarded for passing club specific learn-to-skate levels. If you are interested in purchasing any of these patches please contact the Artistic Treasurer, Rox Price at [artistic.treasurer@gmail.com](mailto:artistic.treasurer@gmail.com)

### **Trophy Steward**

The Artistic Committee would like to extend their thanks to Val Bedford who has been the NZFRS Artistic Trophy Steward for many years. Sonja Reid has kindly agreed to take over the Trophy Steward duties and the Committee would like to welcome her to the role.

### **Skater's Representative**

Phoenix Reid has been appointed as the new Skater's Rep on the Artistic Committee. Her role is to make sure that the voices, ideas and opinions of skaters are heard within the committee. She has put together a skater survey which has been sent to clubs and we would like to encourage all skaters to complete the survey.
