

Rotorua Rollerskating Club Annual Report 2020-2021

At present we have over 70 skaters including 25 Competition skaters. We are at maximum capacity for our venue and have a large wait list for our learn to skate classes.

We have three trainee coaches completing their coaches training within our club and three more about to start their coaches training, under the mentorship of our lead coach, David Hook.

In December 2020 we held another successful Annual show and we are working towards our 2021 show in October this year.

In August we will be running our yearly development squad for skaters wishing to move from learn to skate classes to competition skating.

Presently we are part of a group exploring the viability of a purpose built venue for all Rollersports within Rotorua.
