

NZ Officials Commission

Categories 2022 Onwards

Below is an outline of each category and what competitions each official category may officiate under.

The Commission Categories relate to "The Entire System" not the Rollart System

Judges

OFFICIAL CATEGORY	RESULT
WHITE SYSTEM	Officiate under White System <u>ONLY</u> at SkateNZ sanctioned events
JUDGE LEARNER	<p>To become a registered learner you must have completed the Licence to Learn and be a registered member of a Club and SkateNZ.</p> <p>Registered learners must complete a program of self study and mock judging that covers all disciplines and respective judging systems. All mock judging shall be conducted alongside a Judge 1 or International Judge as mentor at each event.</p> <p>To become accredited as a Judge 2 the candidate must complete and submit a mock judging portfolio and sit a multi-discipline open workbook.</p> <p>The mock judging portfolio shall include a <i>minimum</i> of 5 separate events of at least 5 skaters, completed within 12 months. Within those 5 events there must be at least 1 figure event, 1 free skating long program event, and 1 solo free dance event. <i>(Must be at SkateNZ sanctioned events)</i></p>
JUDGE 2 (multi-discipline)	<p>Judge any discipline event alongside a Judge 1 or International Judge at SkateNZ sanctioned events.</p> <p>At the completion of 12 months a Judge 2 may apply to be accredited to Judge 1 in one or more disciplines. The application shall include evidence of judging experience gained within this period. For each discipline the candidate must complete a written and a practical exam.</p>
JUDGE 1 (discipline specific)	<p>Judge at all NZ events in the accredited discipline(s)</p> <p>To become an international judge in a discipline you must be put forward to World Skate by the NZ Artistic Committee and must complete the World Skate exam requirements.</p>
INTERNATIONAL JUDGE. (Discipline specific)	Judge at NZ events and/or by invitation for Senior Continental competitions or World Skate International

	events in the accredited discipline(s)
