Medal Test Requirement for Oceania Team Selection

As per the decision made around medal test requirement for qualification to NZ Champs, the Artistic Committee would like to recognise that there have been many challenges with covid lockdowns and disruptions to training and regularly scheduled medal test opportunities in the past year.

the Artistic Committee will consider individual exemptions to the medal test requirement for Oceania Team selection before closing of entries for the qualifying competition (NZ Artistic Champs). Individual requests will be assessed by the committee on a case by case basis and details (name, art number, grade, medal tests held etc.) must be sent through to the Artistic Committee via your club secretary as soon as an issue is identified.
